

Heyo, You all know me as Kelsie Kolo,

Short for: Kelsie Kolodziejczyk.

Born In Brampton, I moved to the Waters of Wasaga Beach at 3 years of age and have left my footprints In the Sand...

I'm known for being Ambitious, Spontaneous and a down right good time. My family of 4, that being my Dog and 3 Cats keep me entertained in the life of DJ-ing, Filming, Producing, Singing, Performing and the Many other Adventures...because, why not?

I keep it real- I love high heels, yet I'll wear my hair a mess. I'll get my hands dirty but can pull off a nice dress. I love new foods, a good brew and the outdoors with zero stress. I like to live life to the fullest with good friends, a loving family and for that I am blessed.

I have many different passions and they've all landed me here. I've been in fast food, a talk show host on your local radio station, and I've probably even served your beer. Through endless adventures I'm grateful for what I have now, this life that I'm living and the folks who have taught me how. Tune into The Kelsie Kolo Show On Wasaga Beach TV to start off your day...Everything from Local Food, Booze and reviews because we're your infotainment of Southern Georgian Bay..

It always works out, so never be in doubt.

-Xo- Kelsie Kolo
